5. Bank Reconciliation

This is the bank reconciliation facility which allows the “tagging” of items which are common to both the Cash Book and the Bank Statement. Where a new Cash Book is captured, a facility exists for capturing unpresented cheques at take-on and thereby arriving at a reconciled bank balance.

(a) At the Balance as per Statement prompt, enter the balance as per the Bank Statement. If in overdraft capture the bank balance with a minus (-) before the value.

(b) Click on the , , Page Up or Page Down keys to move the selected transaction to the top of the transaction listing.

(c) Alternatively, click on  Locate(\) for speedy location of an item by selecting one of the following search criteria:

Date
Transaction No
Reference Det.
Return

(d) When the required line item is at the top of the listing, click on  Tag Matching Items(+) to tag the line item or double click the line item common to both the Cash Book and the Bank Statement.

To “Untag” an item click on  Tag Matching Items(+) again to remove the tag.

(e) When all the required entries have been tagged, click on  End(ESC).

(f) **Result:** The Bank Reconciliation Summary window is displayed. The Bank Balance reconciled amounts should agree with the Cash Book Balance amounts.

5. Bank Reconciliation

The Balances must agree with the Bank Balance reconciled as per the Cash Book.

Continue

(g) **If they agree**, click on Update Files. This will save all "tagging" until a further Bank Reconciliation or a Month End is processed.

If they do not agree, click on Continue to return to the current Bank Reconciliation to make the correcting adjustments.

To **Ignore** all "tagging" and discontinue the current Bank Reconciliation, click on abandon.

Note: To account for unpresented cheques from previous month(s) reconciliations(s):

For New Cash Book:

☞ Click on **Cheques not presented(-)** and enter cheque details.

For Subsequent Cash Books:

☞ Where unpresented cheques from previous months are presented in reconciliations during the current month, "tag" these cheques and they will cease to be displayed.

Prior to Cash Book Month End:

☞ Print the final bank reconciliation. This cannot be printed from an archive.

5. Bank Reconciliation

- ✓ The Month End for the Cash Book will clear all “tagged” transactions and carry forward the closing balance as well as all cheques listed as outstanding from previous month(s).

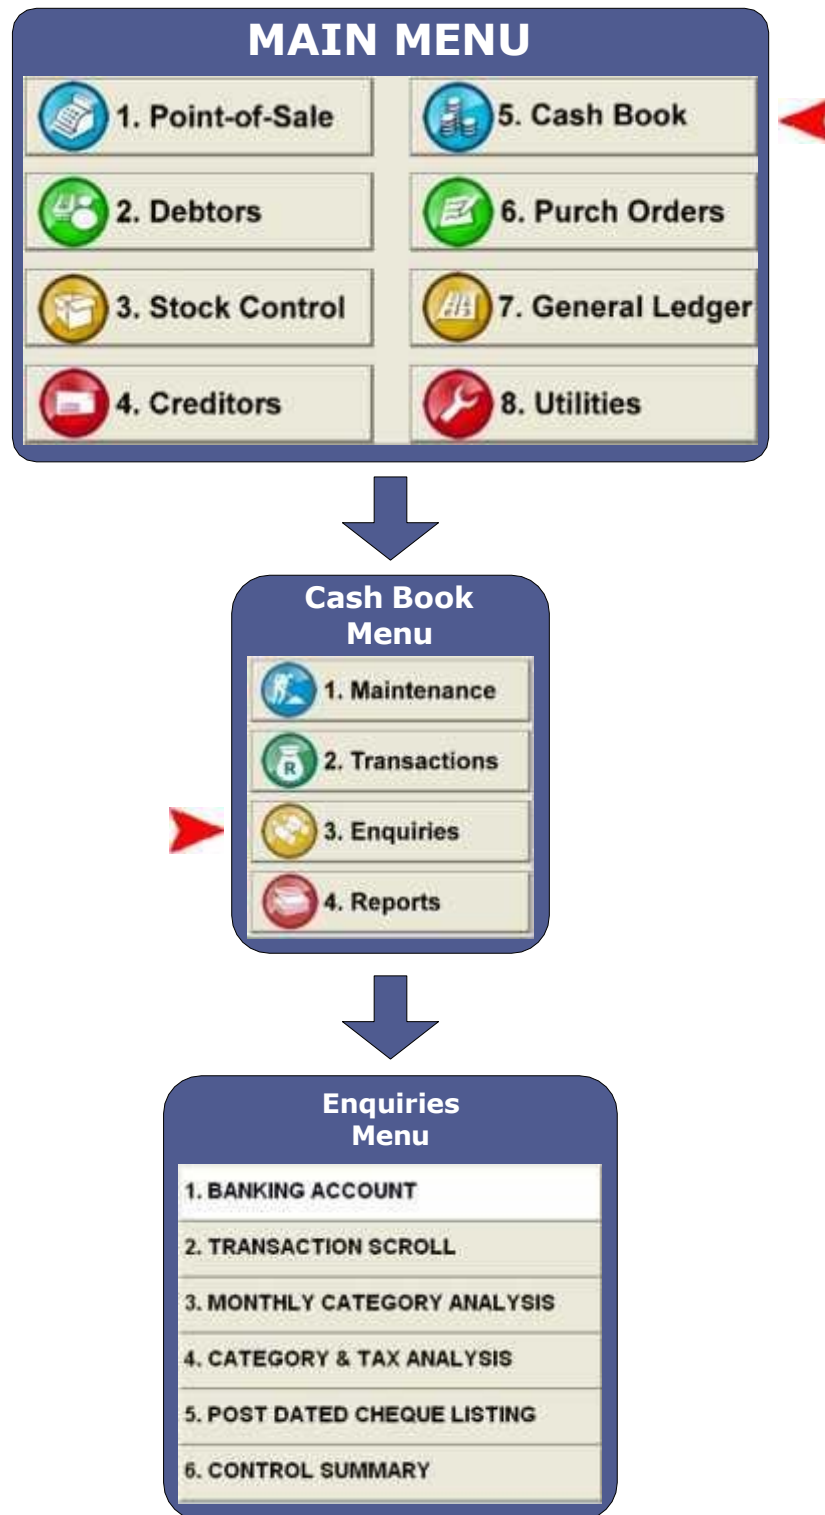

Bank Reconciliation Recommendation.

It is advisable to process the Bank Reconciliation on a daily or weekly basis. This increases efficiency and reduces the volume of transactions to be tagged.

The tagged transactions will be displayed until a month end is processed.
